Keta Group Awarded U.S. Department of State Contract

Baton Rouge, La. – January 5, 2011 – Keta Group, LLC (“Keta”) announced today that it has been awarded an Indefinite Delivery Indefinite Quantity (“IDIQ”) contract to provide Worldwide Design Build Construction Services for the U.S. Department of State Bureau of Overseas Building Operations (“DoS”). The DoS contract has a term of one base year plus four one year options for a total of five years. The maximum cumulative amount of the Task Orders issued during a single contract year will not exceed \$500 million, and the maximum dollar value for the life of the contract is \$2 billion. Keta is one of only 13 companies selected to compete on Task Orders under this IDIQ contract.

This contract’s requirement for Design Build services involves architectural, mechanical, plumbing, electrical, and fire protection services in U. S. mission and embassy branch office facilities overseas. Keta will provide design and construction services for renovation of facilities; reconfiguration of existing utilities and facilities; and fabrication and installation of new utilities and containerized housing and office facilities that meet stringent technical and physical security requirements.

Keta is a tribally-owned, Louisiana limited liability company that was founded in 2003 by the Chitimacha Tribe of Louisiana, a federally recognized North American Indian Tribe. Keta's primary purpose is to diversify and bolster the economy of the Chitimacha Tribe and provide opportunities and benefits to its members.

Keta’s corporate headquarters are located in Baton Rouge, Louisiana, and Keta has subsidiary and project offices in Colorado Springs, Colorado; Schriever AFB, Colorado; Peterson AFB, Colorado; Vandenberg AFB, California; Columbus, Georgia; and on the Chitimacha Reservation in Charenton, Louisiana. Keta is the parent holding company of the following wholly-owned subsidiary companies, each focusing on a different industry: Tiya Support Services, LLC; CP Resources, LLC; and Tiya Construction Services, LLC.

The product and service offerings of the Keta Group family of companies are focused on information technology services, disaster recovery services, space and defense engineering services, construction, and facility management services associated with facility and base operations support.
